

The Department of Commerce has recorded consistent improvement in its academic performance. It offers a range of innovatively designed programs whose curricula are constantly updated to meet the changing requirement of the industry and to meet the needs of major stakeholders.

The department is committed towards development of students as leaders and entrepreneurs for tomorrow who contribute not only to the society but to the country at large. We encourage students to organize events such as Inter-collegiate festivals and programs, participate in events organized by other colleges and also get involved in activities of social relevance.

Our students are hardworking, practical-oriented and effective in any work environment. We have designed our syllabus to strike a balance between professional knowledge and personal skills. We are confident that our current curriculum has enabled the overall development of the students.

The faculty members have admirable academic credentials. The curriculum is taught by a distinguished faculty combining academic excellence and real-world experience with dedication and commitment.

With this brief introduction, I welcome you to be a part of our journey towards being a world-class center of excellence in education, training, and research.

Dr. W. Ramana Rao
HOD-Faculty of Commerce
The ICFAI University, Raipur
