Message from the Vice Chancellor

Dear Members of the ICFAI Family,

It gives me great pleasure to present the **Fourth Edition of the IQAC Newsletter** of ICFAI University, Raipur. This edition reflects another phase of our continuous journey toward academic excellence, quality enhancement, and institutional development.

The recent months have been characterized by dynamic academic activities, progressive initiatives, and strengthened efforts toward outcome-based education. A series of workshops, seminars, faculty development programs, and student-oriented engagements have been successfully conducted, reinforcing our commitment to innovation, skill enhancement, and experiential learning. These initiatives are instrumental in equipping our students with the knowledge and competencies required to thrive in an ever-evolving global landscape. In addition to academic pursuits, the university has actively participated in socially responsible initiatives, including community outreach programs and awareness campaigns. Such endeavors underline our role as a responsible institution dedicated not only to education but also to societal progress and nation-building.

Prof. (Dr.) Shiv Dayal Pandey
Vice Chancellor
The ICFAI University, Raipur.

I sincerely appreciate the unwavering dedication, enthusiasm, and collaborative efforts of our faculty members, students, and administrative staff. Their collective contribution continues to strengthen the quality culture of our institution. The Internal Quality Assurance Cell (IQAC) remains a cornerstone in guiding and sustaining these efforts through structured planning and continuous monitoring.

As we move forward, let us continue to embrace innovation, uphold academic integrity, and foster inclusivity in all our endeavors. Together, we will continue to build a vibrant academic ecosystem that nurtures excellence, creativity, and responsible citizenship.

I extend my best wishes to all members of the ICFAI family for their continued success and growth.

Prof. (Dr.) Shiv Dayal Pandey Vice Chancellor
The ICFAI University, Raipur.

The ICFAI University, Raipur

Dear Students, Faculty Members, and Esteemed Stakeholders,

It gives me great pleasure to present this edition of the IQAC Newsletter, reflecting our continued progress and sustained commitment to quality enhancement at The ICFAI University, Raipur. The recent period has witnessed a series of impactful academic, co-curricular, and value-based initiatives that underscore our collective efforts toward achieving institutional excellence.

Our university has actively organized and participated in seminars, workshops, faculty development programs, and student-centric activities, all aimed at strengthening outcome-based education, fostering innovation, and enhancing skill development. The enthusiastic involvement of our students and faculty in these initiatives highlights our shared vision of creating a dynamic and engaging learning environment.

We have also continued to extend our engagement beyond the campus through various community outreach programs, awareness drives, and well-being initiatives. These efforts play a crucial role in nurturing socially responsible citizens and reinforcing the values of ethics, empathy, and service.

I would like to express my sincere appreciation to our faculty members, administrative staff, and students for their dedication, collaboration, and tireless efforts. Their commitment has been pivotal in maintaining and elevating the quality standards of our institution. The Internal Quality Assurance Cell (IQAC) remains steadfast in its mission to promote a culture of continuous improvement, accountability, and innovation.

As we move forward with future editions, let us continue to build on this momentum, striving for excellence in all our endeavors. Together, we can further strengthen our academic ecosystem and contribute meaningfully to society and nation-building.

Wishing you all continued success and inspiration.

Warm regards,

Message from NAAC Coordinator

Dear Faculty Members, Students, Alumni, Parents,
and Esteemed Stakeholders,

It gives me immense pleasure to address our esteemed readers through this edition of our IQAC news magazine, which highlights the quality enhancement initiatives, academic achievements, and best practices undertaken at The ICFAI University, Raipur.

Quality in higher education is a continuous process that requires commitment, innovation, and collective participation. As the NAAC Coordinator, I am delighted to share that our University remains dedicated to fostering a culture of excellence through systematic planning, effective implementation, and continuous monitoring of quality initiatives.

In alignment with the vision of the National Assessment and Accreditation Council (NAAC), the University has consistently focused on strengthening academic and administrative processes. During the recent academic period, several initiatives have been undertaken to enhance teaching-learning practices, research and innovation, student support mechanisms, community engagement, and institutional governance.

Some of the notable quality enhancement initiatives include:

- **Curriculum Enrichment:** Adoption of Outcome-Based Education (OBE) practices and continuous curriculum review to meet contemporary academic and industry requirements.
- **Teaching-Learning Excellence:** Organization of Faculty Development Programmes, workshops, seminars, and student-centric learning activities to promote experiential and technology-enabled learning.
- **Research and Innovation:** Encouraging faculty and students to engage in quality research, publications, intellectual property creation, and collaborative projects with industry and academic institutions.

These achievements reflect the collective efforts of our management, faculty members, staff, students, alumni, and other stakeholders. Their dedication and active participation have significantly contributed to enhancing the quality ecosystem of the University.

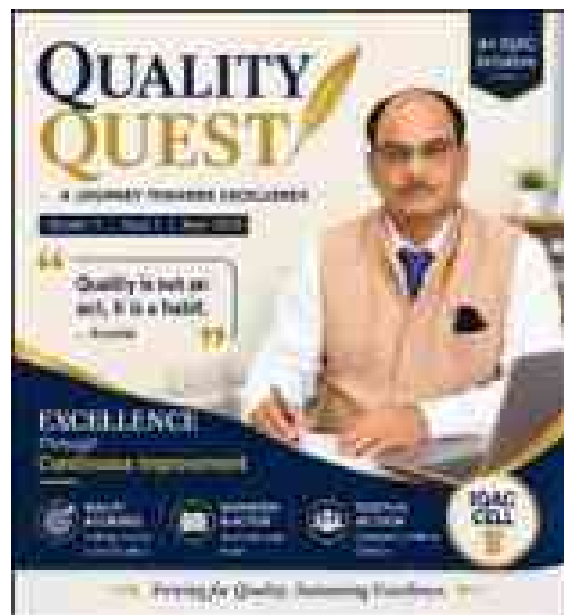

As we continue our journey towards academic excellence and accreditation milestones, I encourage all stakeholders to actively participate in the quality assurance processes and contribute their valuable suggestions for institutional growth and continuous improvement.

Let us work together to uphold the highest standards of quality, innovation, inclusivity, and social responsibility, thereby strengthening our institution's reputation and contributing meaningfully to nation-building.

I extend my sincere appreciation to everyone associated with the University for their unwavering support and commitment to excellence.

Wishing you an informative and inspiring reading experience.

Warm Regards,

Enhancing Higher Education Through NAAC

NAAC updates (June 2026):

1. **Binary Framework:** Institutions are first evaluated on basic infrastructure and compliance. Those that clear this stage achieve "Accredited" status.
2. **MBGL Levels:** Accredited colleges can progress through Level 1 to Level 5 by demonstrating continuous institutional improvement and strong educational outcomes.
3. **Shift to 10 Attributes:** Assessment is expanding from the traditional 7 criteria to 10 key attributes. These heavily emphasize employability, sustainability, and real student outcomes.
4. **Transparency Measures:** To improve credibility, physical peer visits are being phased out in favor of AI-driven assessments. In-person peer team visits now face stricter rules, such as being assigned only a few days in advance and conducting unannounced GPS-tracked surveillance

IQAC: A Catalyst of Quality in Institution

IQAC Latest Updates – June 2026

1. **Faculty Empowerment:** KIIT Deemed to be University launched its Annual Academic Empowerment Programme (K-AEP 2026), featuring sessions on Consciousness-Based Education, stress management, and NEP curriculum alignment.
2. **Quality Framework Workshops:** VCIWU organized an Education Week workshop detailing NAAC, NIRF, and global ranking methodologies for faculty and researchers.
3. **Institutional Benchmarking:** Birla Global University hosted a national seminar focusing on reimagining quality in higher education, institutional innovation, and global competitiveness.
4. **Staff Training:** At AMSASCW, the IQAC organized two-day orientation workshops targeting both teaching and non-teaching staff to enhance workplace ethics and teaching effectiveness.
5. **Governing Reviews:** Baba Saheb Bhimrao Ambedkar University (BBAU) held a key IQAC meeting chaired by their Vice-Chancellor to assess and track quality metrics

Strengthening Academic Excellence Through Collaboration

We are delighted to share that The ICFAI University, Raipur and National Institute of Technology Raipur have formally entered into a Memorandum of Understanding (MoU) aimed at fostering academic collaboration, research excellence, innovation, faculty development, and student engagement.

The MoU was signed by Prof.(Dr.) Shiv Dayal Pandey, Hon'ble Vice Chancellor, The ICFAI University, Raipur & Prof. (Dr.) N. V. Ramana Rao, Director, NIT Raipur.

The ceremony was graced by the presence of distinguished academic leaders from NIT Raipur:

World Environment Day Celebrated at The ICFAI University, Raipur

The ICFAI University, Raipur, celebrated World Environment Day on 5 June 2026 within the university campus with great enthusiasm and active participation from students, faculty members, NSS volunteers, and non-teaching staff. The programme was organized under the inspiring leadership and guidance of Prof. (Dr.) Shiv Dayal Pandey, Hon'ble Vice Chancellor, whose continuous support contributed significantly to the success of the event. World Environment Day is observed globally every year on 5th June to raise awareness about environmental protection, sustainable development, and the collective responsibility of preserving our planet for future generations. This year's celebration was aligned with the United Nations Environment Programme (UNEP) theme, "Inspired by Nature: For Climate. For Our Future."

The programme emphasized the importance of sustainability, climate action, environmental conservation, and the adoption of eco-friendly practices. As a major highlight of the event, a Tree Plantation Drive was conducted across various locations within the university campus. Saplings were planted by Prof. Dr. Shiv Dayal Pandey, Hon'ble Vice Chancellor, faculty members, staff, NSS volunteers, and students, symbolizing their commitment to building a greener and healthier environment.

Addressing the gathering, the dignitaries emphasized the urgent need for environmental stewardship and encouraged the university community to actively participate in initiatives that promote ecological balance and sustainable living. The plantation drive not only enhanced the green cover of the campus but also served as a reminder of the collective responsibility towards protecting natural resources. The programme concluded with all participants taking a Green Pledge, reaffirming their commitment to environmental conservation, responsible resource utilization, and the promotion of sustainable and eco-friendly practices in their daily lives.

The event was successfully coordinated by Dr. Sindhu Nair and Mr. Pranay Patel, with valuable support from Dr. Piyush Thakur, Prof. Dr. G.V.V.J. Rao, Dr. SHUBHRA TIWARI, Mr. ashish kumbhare, Mr. Anil Vaishnav, Mr. Deepak Sahu, Heads of Departments, faculty members, and NSS volunteers, whose dedicated efforts ensured the smooth and successful conduct of the programme.

The celebration reflected The ICFAI University, Raipur's unwavering commitment to environmental sustainability and its vision of nurturing socially responsible citizens dedicated to creating a greener and more sustainable future.

Strengthening academic partnerships for innovation and excellence

Prof.(Dr.) Shiv Dayal Pandey, Hon'ble Vice Chancellor, The ICFAI University Raipur, met with Prof. (Dr.) Rajeev Prakash, Director, IIT Bhilai on 02 June 2026 to discuss avenues for academic collaboration and strategic partnerships between IIT Bhilai and The ICFAI University Raipur.

The interaction was highly productive and focused on identifying mutually beneficial opportunities in the areas of innovation, incubation, entrepreneurship, research, and academic excellence. During the discussion, both institutions agreed to explore the signing of a Memorandum of Understanding (MoU) to facilitate collaboration in areas such as innovation and incubation, startup development, knowledge sharing, Faculty Development Programmes (FDPs), student internships, guest lectures, joint research initiatives, and other academic activities of mutual interest.

Prof. (Dr.) Rajeev Prakash informed that this would be the first such MoU to be established by Indian Institute of Technology, Bhilai with any organization in the State of Chhattisgarh, marking a significant milestone in fostering regional academic and research partnerships.

The meeting also included deliberations on the establishment of a Joint Centre of Excellence through the collaborative efforts of IIT Bhilai and The ICFAI University Raipur. The proposed Centre is envisioned as a shared platform that would benefit not only the students and faculty members of both institutions but also those from neighboring universities and higher educational institutions across the region.

The proposed Centre of Excellence would leverage the advanced infrastructure, technological expertise, research capabilities, and innovation ecosystem of IIT Bhilai, while suitable space and operational support could be facilitated through the Government of Chhattisgarh. Such a collaborative initiative has the potential to create transformative opportunities in academics, research, innovation, entrepreneurship, skill development, technology transfer, and industry engagement.

This partnership is expected to contribute significantly to strengthening the higher education ecosystem of Chhattisgarh and creating a vibrant environment for learning, research, innovation, and societal impact.
