

The ICFAI University, Raipur Students Visit Chhattisgarh Vidhan Sabha!

On March 4th, 2025, students and faculty from the Faculty of Arts & Humanities at ICFAI University, Raipur, had an enriching educational experience at the Chhattisgarh Vidhan Sabha.

As part of their academic learning, students witnessed the live budget session, gaining valuable insights into the legislative process, governance, and decision-making. This firsthand exposure deepened their understanding of how fiscal policies are debated and implemented for the state's development.

Such experiential learning opportunities empower students to connect theory with real-world governance, shaping them into informed and responsible citizens.

- ◆ Real-time legislative proceedings
- ◆ Understanding governance & policy-making
- ◆ Bridging academics with practical exposure

🌟 At ICFAI University, we believe in learning beyond classrooms!
