

## Industrial Visit to NECO Industries Limited Raipur for BBA & MBA Students

On 26th October 2024 Faculty of Management Studies-The ICFAI University Raipur, organised an industrial visit to NECO Industries Ltd, Raipur for BBA and MBA students, aiming to bridge the gap between theoretical knowledge and practical applications in the manufacturing sector. NECO Industries, a prominent name in the Indian manufacturing and engineering industry, specializes in products such as castings, forgings, and industrial components, which are critical to sectors like automotive, power generation, and construction.

The visit commenced with an orientation session led by the GM HRM Mr Shaji Thomas, followed by plant visit by operations team, students were escorted to the production floor, where they observed various stages of the manufacturing process: Casting and Forging, Machining and Finishing, Quality Control and Testing, Supply Chain and Logistics

The visit was an invaluable experience for students, allowing them to gain first-hand knowledge of the operations within a leading manufacturing company.

The Event was well coordinated by Dr. Archi Dubey HoD FMS and Dr. Ambarish Ghosh Asst. Prof-FMS
