## ABOUT UNIVERSITY

The ICFAI Group is a well-established educational organization with over four decades of experience in flexible learning. It operates a network of 11 universities, 9 business schools, 9 law schools, and 3 pharmacy schools.

Established in 2011, ICFAI University, Raipur is a private institution recognized by the University Grants Commission (UGC) and is a member of the Association of Indian Universities (AIU). Located in Kumhari, District Durg, the university's 30-acre campus offers a wide range of undergraduate, postgraduate, and doctoral programs.

The university provides career-oriented education across various fields, including:

- **Science & Technology**
- **Management**
- **Commerce**
- **Law**
- **Arts & Humanities**
- **Education**

The campus is well-equipped with modern facilities, including academic blocks, libraries, laboratories, and computer centers. It's committed to ensuring students gain valuable industry exposure through internships and placement opportunities.

ICFAI University, Raipur was established under Section 9(2) of the Chhattisgarh Private Universities (Establishment and Operation) Act 2005 and was officially notified on March 25, 2011. It is recognized by the UGC under Section 22 of the UGC Act, 1956, allowing it to confer degrees across all its academic programs.

The university's commitment to quality education is further demonstrated by its accreditations:

- National Council for Teacher Education (NCTE): for its Bachelor of Education (B.Ed) programs.
  - Bar Council of India: for its Law programs.
- Furthermore, the university is a proud member of the Association of Indian Universities (AIU), New Delhi, which reflects its dedication to national academic standards and collaboration.

The campus currently has six departments:

- Faculty of Science and Technology
- Faculty of Commerce
- Faculty of Management Studies
- Faculty of Arts and Humanities
- Faculty of Education
- Faculty of Law

All departments offer both undergraduate and postgraduate degree programs, as well as Ph.D. courses.

Date-26.09.2025

## About the Faculty of Science and Technology IUR

The Faculty of Science & Technology (FST) provides a comprehensive range of undergraduate programs, including B.Tech. degree in Computer Science & Engineering (with specializations in Artificial Intelligence & Data Science), Electronics & Communications Engineering, Civil Engineering, and Mechanical Engineering. Additionally, FST offers BCA and MCA degrees, along with M.Tech and Ph.D. programs. FST is supported by a team of highly qualified faculty dedicated to fostering holistic student development. This commitment is realized through extensive industry exposure, robust placement assistance, valuable internship opportunities, and a diverse array of academic and co-curricular activities designed to enhance learning and prepare students for successful careers.

## ABOUT THE STTP

The ICFAI University, Raipur, is organizing a One-Week Short-Term Training Program (STTP) on AI-Enhanced Research Writing: Tools, Techniques, and Best Practices for Academics. It will be conducted from 22nd to 27th September 2025, between 10:30 AM and 1:30 PM (IST). The program is hosted by the Department of Faculty of Science and Technology. It aims to empower faculty members, researchers, and professionals in academic writing. Sessions will cover AI tools for literature review and research data analysis. Experts will guide participants in structuring and drafting impactful research papers. Training will also focus on refining manuscripts with ethical and compliance standards. Participants will learn to prepare for high-quality publications and explore future trends. Renowned academicians from reputed institutions will serve as resource persons. On successful completion, all participants will receive a certificate of participation.
