

<b>Name of the Activity</b>	: IUR- HACKATHON 2025
<b>Date of Activity</b>	: 24/09/2025
<b>Organised by</b>	: Faculty of Engineering & Technology and Faculty of Management Studies
<b>Number of Participants</b>	: 100

The ICFAI University, Raipur organized *IUR- Hackathon 2025* on 24<sup>th</sup> September 2025 at the University Auditorium. The event was jointly conducted by the Faculty of Engineering & Technology and the Faculty of Management Studies. Convener of the event is **Dr. Animesh Kumar Sharma Head, Faculty of Engineering & Technology and Dr. Archi Dubey, Head, Faculty of Management Studies.**

The program commenced with the lighting of the lamp, followed by the address of the **Hon'ble Vice Chancellor, Prof. (Dr.) S. D. Pandey. The presence of the Dean Academics, Prof. (Dr.) K. Kishore Kumar and Registrar, Prof. (Dr.) Manish Upadhyay** added to the dignity of the occasion.

The Hackathon aimed at encouraging innovation, problem-solving, and teamwork among students through three competition categories – Coding, Prototype Development, and Business Plan. A total of 100 students participated, forming 20 teams across the three categories. Students actively showcased their creative ideas, technical skills, and entrepreneurial thinking. The event encouraged interdisciplinary collaboration, enhanced problem-solving abilities, and provided a platform for students to transform their innovative ideas into actionable solutions.

The event in charges are **Mr. Ashish Kumbhare**, Assistant Professor (CSE), **Dr. K. Nagaiah**, Assistant Professor (ECE) and **Dr. Pratibha Barik** Assistant Professor (Management). The event was graced by the esteemed jury members – **Mr. Abhijeet Sharma**, Sr. Consultant, Start-up C.G, Department of Commerce & Industries, and Mr. Prashant Kumar Tamrakar, Managing Director, B S Digital Technology, Durg. They evaluated the teams' performances, shared valuable insights, and offered constructive feedback. The winners were Devansh and Team (Prototype Development), Himanchal and Team (Coding), and Aaradhna and Team (Business Idea). These three winning teams will be registered for the Smart India Hackathon, proudly representing ICFAI University, Raipur at the national level. The event concluded with the distribution of prizes and certificates to the winning teams.
