ICFAI University Raipur Organizes Health Awareness Camp under “Swasth Naari Sashakt Parivaar Abhiyaan”

Raipur on September 23, 2025 – The Internal Complaint Committee (ICC) and Women’s Grievances Cell of ICFAI University, Raipur, organized a Health Awareness Camp at Rampur Chouraha Basti on 23rd September 2025. The camp was specially conducted for the health check-up of rural women, in alignment with the Ministry of Health & Family Welfare’s Poshan Maah initiative – “Swasth Naari Sashakt Parivaar Abhiyaan.”

The program was graced by Dr. Sangeeta Neral, Head of Department, Medical College Raipur, who actively conducted women’s health check-ups and shared valuable guidance. The camp emphasized the importance of women’s health as a cornerstone for building strong and empowered families.

The successful organization of the event was made possible with the visionary guidance and constant encouragement of the Honorable Vice Chancellor Sir, Respected Registrar Sir, and Dean Academics.

The University extends sincere gratitude to:

Smt. Shandhya Pargania (Anganwadi Supervisor)

Smt. Durga Verma (RHO)

Dr. Prachi Sharma (Assistant Professor)

Smt. Rekha Dahariya (Anganwadi Karyakarta)

The women of Chouraha village and B.Ed. girl student.

for their active participation and support in making this initiative impactful.

The camp served as a significant step towards creating awareness about women’s health and nutrition in rural areas, thereby contributing to the larger vision of “Healthy Women, Empowered Families.
