Short Writeup : The Engineers' Day was celebrated on 15th September 2025 with great enthusiasm and active participation by students and faculty members. The event was graced by **Prof. (Dr.) O. P. Vyas, Director, IIIT Naya Raipur**, who honored the occasion as the Chief Guest.

The program commenced with the lighting of the lamp, followed by the address of the Hon'ble Vice Chancellor, Prof. (Dr.) S. D. Pandey, and the inspiring words of the Chief Guest. The presence of the Dean Sir and Registrar Sir added to the dignity of the occasion.

The major highlights of the celebration included:

- Project Presentations
- Poster Presentations
- Model Presentations
- Robo Events
- Cultural Programs

The event provided a platform for students to showcase their innovative ideas, creativity, and technical skills, while also reflecting on the significant contributions of engineers to society. The celebration concluded on a vibrant note with cultural performances, marking the day as memorable and successful.
