

Industrial Visit by the Faculties and Students of the Faculty of Commerce,

On 11 November 2022, the students & faculties of FOC visited the milk processing plant of CG State Milk Marketing Cooperative Federation Ltd. @ Urla. The General Manager Operation Mr. P K Chugh and his team explained the detailed production process and quality control parameters. A total of 49 Students & 5 faculties have visited the entire plant and understood the process. Some students of Arts & Humanities were also a part of industry visit. The industry visit was a good learning experience for all students.
