

#### Brief Report:

The Faculty of Management Studies started an activity named as “Knowledge Management Series” for the students of MBA and BBA on 22<sup>nd</sup> April 2022. The objective of this activity is to impart knowledge to the students beyond classrooms and to prepare them for the industry. On this occasion Dr. Sanjay Yadav briefed about the benefits of such type of activity to the students and motivated them for their better professional growth. The activity was titled to learn about Leadership Lessons and Dr. Jayant Isaac was the speaker of this event. Dr. Jayant Isaac said that leadership is all about goal oriented and not role oriented, apart from this he has also shown a video to make the students understand clearly about Leadership. Prof. Vijaya lakshmi also encouraged the students by her wisdom words. The Students asked many questions at the end and were well taken by the speaker. The activity ended by feedback from the student’s vote of thanks.
