The ICFAI University Raipur, under the aegis of the NEP 2020 Cell and IQAC, successfully hosted a one-day national workshop on “NEP 2020 Sensitization and Awareness.” The workshop aimed to disseminate the key principles and implementation strategies of the National Education Policy (NEP) 2020, drawing participation from educators, policymakers, and administrators from across the country.

The event commenced with a warm welcome to the esteemed guests, followed by a ceremonial lamp lighting by the chief guests, Prof. (Dr.) G. A. Ghanshyam, OSD & State Nodal Officer, NEP 2020, Directorate of Higher Education, Chhattisgarh, and Prof. (Dr.) D. K. Shrivastava, OSD, NEP 2020, Directorate of Higher Education, Chhattisgarh.

Mr. Dilip Mishra, NEP Coordinator at the university, provided an update on the progress of NEP 2020 implementation at The ICFAI University Raipur. Prof. Manish Upadhyay, in his welcome speech, formally greeted all dignitaries and participants attending both online and offline. He briefly highlighted the university's achievements over the past five years and urged the speakers to shed light on areas where improvements can be made.

Vice-Chancellor Prof. (Dr.) S. P. Dubey expressed his gratitude to the guest speakers and participants from across India. Addressing the workshop's theme, Prof. Dubey emphasized the importance of raising awareness about NEP 2020 among the teaching fraternity and students, underscoring the need for impactful sessions to gain insights into the policy.

In his inaugural address, Prof. (Dr.) G. A. Ghanshyam highlighted the transformative vision of NEP 2020, emphasizing its commitment to fostering an inclusive, equitable, and vibrant knowledge society. He elaborated on the strategic roadmap for NEP 2020 implementation in Chhattisgarh, underlining the significance of stakeholder engagement and capacity building at all levels.

Prof. (Dr.) D. K. Shrivastava provided a comprehensive overview of the structural changes proposed under NEP 2020, focusing on new pedagogical approaches, curriculum restructuring, and the integration of technology in education. He also addressed the critical role of higher education institutions in nurturing innovation, research, and entrepreneurship among students.

The workshop featured interactive sessions, panel discussions, and Q&A segments, enabling participants to gain a deeper understanding of the policy's implications and share their insights on effective implementation strategies. Key topics covered included multidisciplinary education, vocational training, digital learning, and assessment reforms.

The event concluded with a vote of thanks proposed by Dr. Piyush Thakur, Coordinator IQAC. Participants expressed their appreciation for the valuable insights shared by the speakers. The workshop underscored the collective resolve to embrace NEP 2020 reforms and work collaboratively towards achieving the envisioned educational excellence in India.

The workshop was meticulously organized by Mr. Dilip Mishra, NEP 2020 Coordinator; Dr. Piyush Thakur, Coordinator IQAC; and Dr. S. S. Dubey, Coordinator Co-curricular Activity Cell of The ICAI University Raipur. From across the Nation more than 150 participants joined online and offline, and well appreciated the importance of Workshop.
