

Intra-university singing talent search program on November 13, 2021

The University organized an intra-university singing talent search program on November 13, 2021. This was an initiative taken by the singing committee (A part of Student welfare team) to identify the real singing talent of the University. Students shown a lots of enthusiasm and we got some fine talent in this search. Most of the students performed using the karaoke whereas few of them performed using the keyboard provided by the University. Total 12 students performed and more than 105 students enjoyed the event. Dr. S. S. Dubey, Dr. Abha Shukla and Dr. D. Chatterjee were organizing the event. The support of IT team of the University was also appreciable.
