

Call for papers

1st Symposium
on
Science & Technology – 2013

SOST– 2013
March 15-16, 2013

Accommodation:

In Raipur city (capital of Chhattisgarh State) and Bhilai Steel City many hotels and guest houses are available where accommodation can be arranged on payment, if prior information by participants are received. Transportation will be provided for those preferring to stay in these places.

Registration:

Registration fee for attending the Symposium will be Rs. **600** and for students the fee will be Rs. **300**.

Symposium Certificate:

Authors who will present their papers personally in the symposium will be awarded a certificate and all other symposium participants will also be given a certificate of participation in the symposium.

Publication of Proceedings:

It is planned that contributed papers will be reviewed and good papers will be published in ICFAI Journal of Science & Technology, ICFAI Journal of Structural Engineering, ICFAI Journal of Higher Education etc..

The University:

The ICFAI University, Raipur has been established through an Act of the Government of Chhattisgarh. The University Grants Commission (UGC), New Delhi under section 22 of the UGC Act of 1956 has empowered the university to award its degrees. The ICFAI University, Raipur is located at Kumhari, Durg which is in the middle of Raipur city and Bhilai Steel City. The campus is very close to the National Highway-6, on Raipur-Bhilai Road. It is spread over an area of 32 acres. The University is offering four years program with degrees B.Tech. in Civil, Electronics & Communications, Computer Science & Engineering, & Mechanical Engineering. MBA, BBA and BCA degrees program will be offered in 2013. The university strives to provide quality education to the students for achieving sound knowledge of the subjects. It has developed cutting edge course curriculum incorporating contemporary and effective

pedagogic methods, with emphasis on both fundamentals and applications. The university –industry linkage program is unique for providing training to students on field problems. This also helps the students in their placement.

First Symposium on Science & Technology *SOST-2013*

March 15-16, 2013

Organized by :
The ICFAI University, Raipur

Symposium Theme

“Recent Developments in Science & Technology”

1st Symposium on Science & Technology will be organized by The ICFAI University, Raipur. The symposium aims to provide a venue and platform for presentation, discussion and exchange of information on recent research developments and extension work of faculty, scientists, researchers, engineers, officials and planners addressing various issues. Apart from the following areas for contributions the subject of disaster is also planned to be discussed as it has gained prominence recently. Disasters have been occurring at frequent intervals and catches officials and public at large uninformed. It is causing havoc at times. The country has made significant advances in all spheres of disaster management and today everyone is better informed and also prepared for the fury of disasters.

Themes:

Submission of **Abstracts** of about 300 – 400 words are invited from prospective Authors for the symposium on the following themes.

A. Science

- Physics
- Chemistry
- Mathematics
- Biotechnology

B. Engineering & Technology

- * Civil Engineering
- * Computer Science & Engineering
- * Electrical Engineering
- * Electronics Engineering
- * Electronics & Communications
- * Mechanical Engineering
- * Information Technology
- * Robotics
- * Nanotechnology

C. Disaster Management

- Disaster planning, preparedness, prevention, mitigation, relief, response and rehabilitation.
- Case Study / reports on recent disasters
- Government Policy and Programs on Disaster Management

Contributions in above areas are invited from faculty members of colleges, institution, universities, research establishments and professional organization, engineers and practitioners, state government official / NGOs and persons involved in active research/teaching and disaster related activities are specially invited to make contributions and share their expertise and experiences. Special invitation is extended to the Government Officials who are responsible for disaster management activities in the State.

Abstracts can be submitted by post, or **email** to **Organizing Secretary** on the address provided.

Key Note Lectures:

Eminent academician and researchers from the region in the field of Science & Technology, disaster management may be invited to deliver key lectures.

Submission of full Papers:

For submission of full papers the guidelines and format for typing the manuscript of the paper will be provided to the contributors whose abstract has been accepted.

The symposium paper's presentation will be in English/Hindi.

Special Workshop:

During the symposium a disaster management workshop may be organized, if sufficient number of contributions in the area of disaster preparedness, prevention, warning, relief and response, mitigation, rehabilitation and management etc. are received. It is also proposed to have a citizens forum on disaster during the conference period.

Important Dates to remember:

- **December 31, 2012 : Last date for submission of abstracts.**
- **January 05, 2013 : Communication of acceptance of abstracts.**
- **March 02, 2013 : Last date of submission of full paper.**
